The west entrance locality is sorry to learn that they are soon to lose the Ray Vincent family. Mr. Vincent, who has been a reserve officer since the first world war, has been recalled to the colors. He has been in Washington, D. C., all winter and is in Salt Lake City now. Mrs. Vincent, Jack and Ruth, expect to join him there soon. Mr. Vincent has been assistant superintendent of Cincier Park for several years and prior to that held several other positions in the park service. Mrs. Vincent has been honored at several social functions recently. One evening the member of the two bridge clubs of which she is a member, dropped in at her home to surprise her, bringing refreshments and a farewell gift. The community regrets their departure very much and hopes that they will return to make their home here again.
