#### Oldtimer Bill Hunnewell Dies

On Friday evening, Feb. 4, an oldtimer left this world. It was William F. Hunnewell, better known to his friends as Bill.

He and I were married in Kalispell in April 1928, and moved to Olney in the fall of 1936. He worked for Larson Logging and also worked for the railroad for 12 years. He retired in 1956.

Bill was the oldest person in Olney, but there was another family that lived here before we came and some of the boys are still here.

Bill was always doing something, shoveling snow or walking to the Briggs Merc about two times a week until about two weeks ago.

I could go on and on telling you what he did. He was a great baseball fan, and tried to go to every game.
