2005. Bill was born on June 20, 1947, in Newark, N.J.

Bill retired after proudly serving law enforcement in Bozeman for 26 years, ending his career as the assistant chief of police.

Bill was a well-known Montana Grizzlies fan. He held season tickets for both football and basketball, very seldom missing a game. He took great delight in the Grizzlies' 16-year reign over the Bobcats. His fellow officers took great delight in decorating his office in blue and gold after the streak was broken.

# STEWART EUGENE KIENOW, 61

*July 13, 2005 at 5:00 am |*

Stewart Eugene Kienow, 61, of Somers, passed away July 8, 2005.

Stewart was born June 13, 1944, in Aberdeen, S.D., to Ferdinand and Florence Kienow. He graduated from high school in 1962, in Ipswich, S.D.

After attending college he ventured to Montana, where he became employed with the Fish, Wildlife and Parks at the Somers Fish Hatchery. There, he learned the ins and outs of the management of wild fish, specializing in kokanee salmon. In the early 1980s he was appointed manager of the Flathead Lake Salmon Hatchery. He took great pride in his employment with the state, which was evident in the time he spent "baby-sitting his fish" and maintaining the hatchery grounds. He enjoyed hosting hatchery tours and sharing his knowledge with students from local schools and visitors to Flathead Valley.

In 1969 he married Carol Andrew, and from this union his only child Rox Ann was born.

Stewart was an avid hunter and spent many memorable seasons with his late father-in-law in the Bitterroot Valley.

Upon the birth of his first grandchild, McCaela, Stewart embraced life in a whole new way. As he had with his nieces and nephews, he became her mentor.

Kaleb Stewart was born in 1998 and became the "apple of his grandpa's eye." Grandpa never turned down an opportunity to spend time with his grandkids, and would often be seen with one or both trailing along with him. Words cannot describe how greatly missed he will be by McCaela and Kaleb, and all who shared his days with him.

He loved to travel with Ann, visiting places all over Europe. His most special times were spent with his mother and brother in "The Old Country" back home on the farm in South Dakota, and with Ann at their beloved Nine Mile.

Stewart was preceded in death by his father, Ferdinand Kienow, and his brother, Allan Kienow.

Stewart leaves behind many friends and family beginning with his best friend and loving companion, Ann Daley, of Somers; daughter, Rox Ann Frame; son-in-law, Jim Frame; grandchildren, 10 year-old McCaela and 7 year-old Kaleb Frame; his mother, Florence Kienow; brother, Ronnie Kienow, both of Ipswich, S.D.; and sister, Shan O' Lea Jeschke of Kalispell. Stewart is also survived locally by nephews, Jody and Wendy Jeschke, Chancy and Sarah Jeschke, and niece, Dena Jeschke. He is also survived by nephews, John, Matt, Sam and Allen Kienow, and niece, Bridgette Nelson.

The family and friends of Stewart invite all who knew and loved him to join them at 4 p.m. Friday, July 15, at the pavilion at Vista Linda, 240 Boon Road in Somers to celebrate his well-lived life. Cremation has taken place and his ashes will be taken home to the farm in South Dakota.

Once moving to Whitefish, Ken became a popular figure in the community and enjoyed his job as the Whitefish Golf Course marshal and the head coach of the Whitefish Lake Nude Synchronized Swimming Team (ages 50 and older).

Robert Jerome "Bob" Kirchoff, 55, passed away on Saturday, Feb. 12, 2005, at the Veterans Administration Medical Center in Helena, after a major stroke experienced while residing at his brother's home in Kalispell.

He was born on Aug. 29, 1949, in Salina, Kansas, the son of Paul Donald and LaVonne June (Fiche) Kirchoff. Bob grew up all over the United States of America, except for a five-year period where the family lived in Ipswich, England, as his father had a career in the Air Force.

Following in the footsteps of his father, he served in the Air Force for six active years of duty, which included one tour in Vietnam.

In 1973, after an honorable discharge he settled in Tacoma, Wash., by his wife Pamela's (Balk) family. This union brought forth two daughters, Veronica J. "Rompi" and Cassandra J. "Cassie" Kirchoff.

Bob completed training programs in both welding and auto body mechanics at Clover Park Voc-tech. He worked over 23 years as an auto body journeyman in the Tacoma area. Having a "natural talent working with cars" he did excellent work in his trade, but had to give it up when an injury (broken neck) sustained while in the military affected that work and his quality of life. Also due to other health problems he developed, he couldn't continue to work, and struggled as a 38 percent disabled veteran.

Bob got much of his pleasure when he took up golf in the 1980s. He played a lot at the P.L.U. course in Spruway, Wash., achieving a hole in one trophy on Oct. 17, 1992, at the 11th hole. He also enjoyed singing and would participate in Karaoke.

A private family get together to celebrate Robert's life, as all the formality he wished to take place. He was loved and will be missed, deeply.

The family suggests that donations be made to the Creston Rural Fire Department (CRL), 4998 Montana 35, Kalispell, MT 59901; or the VFW Food Pantry, 1527 Montana 35, Kalispell, MT 59901.

## Richard Lloyd Kirkpatrick, 79

Richard Lloyd Kirkpatrick, 79, "joined with the Lord and his beloved Geraldine," on Monday, Dec. 19, 2005. Dad was born Sept. 12, 1926, in Kalispell, to Warren and Vivian (O'Leary) Kirkpatrick. Richard completed his primary and secondary education while being raised in Kalispell and graduated from Flathead County High School.

After serving his country for a short period, Richard attended Montana State University and acquired his civil engineering degree. On Feb. 2, 1952, Richard was married to Geraldine Lenore Richardson and enjoyed 38 years of togetherness.

With two of their seven children born, they moved from Casper, Wyo., to Anacortes, Wash., in 1956. Here Richard hired on with Texaco as a civil engineer for which he carried out a 33-year career and retired with great honors. Undeniably his greatest career achievement was his engineering and directing the construction of Texaco's Coker Unit, which now provides many Anacortes residents with jobs and security. His diligence, creativity, and lack of fear to try new technologies on the Coker Project, secured Texaco's Anacortes refineries future for many years to come.

An assertive mathematician, he also was responsible for surveying much of the greater Anacortes area. For the last 50 years, never did a summer pass without multiple fishing trips to Tuttle Cove. Pioneered and developed by Richard and his buddies, Tuttle Cove Fishing Society was where he loved to be. All who have traveled on these fishing trips with Richard know how valuable he was in creating and maintaining a fishing camp that will live on for several generations. None so precious of words that "Daylight in the Swamp!"

Richard was responsible for starting up a college baseball program at Montana State University and played semipro baseball himself for a few years. A bowler, golfer, and dad; his family was his life. Raising seven kids over several decades, he was all about family. He passed up many career financial opportunities to preserve the stability of his family here in the Pacific Northwest. Richard was preceded in death by his wife, Geraldine, and his son, Colin. He is survived by his children, Shannon, Kevin, Todd, Shea, Kelly and Ryan; 15 grandchildren, Justin, Mariys, Nathan, Tyler, Morgan, Brennan, Kaily, Kye, Joel, Jordan, Jackson, Damon, Sally, Kate and Reuben; one great-grandson, Hayden; his sister and brother-in-law, Sally and Bud Neumann; nieces, Kayce, Reta, Ruth, Erin and Susan; and his nephew, Kirk. He will also be remembered by one very special woman, Miss Jeanette Allumbaugh, who spent much of Richard's later years with him. Visitation will be held at Evans Funeral Chapel in Anacortes from 1 to 7 p.m. today, Dec. 22, followed by a vigil service at 7 p.m. today at Evans Funeral Chapel. A private Mass of Christian burial will be held Friday, Dec. 23, at St. Paul's Catholic Church in La Conner, followed by interment at Fernhill Cemetery in Anacortes, where he will be placed by Geraldine's side. A public reception will be afterward at 1 p.m., at the American Croatian Club of Anacortes, 1202 Seventh St., in Anacortes. Donations may be made in Richard's memory to the Skagit Hospice Foundation, P.O. Box 1376, Mount Vernon, WA 98273, whose kindness and experience helped the Kirkpatrick family in the final days of Richard's life. "We are going to miss you Pa, but you will never be forgotten. Thank you." Arrangements are in the care of Evans Funeral Chapel and Crematory in Anacortes. ## Sherry Ann Kline, 52

Some of her greatest joys in life were gardening and supplying her family with canned and dehydrated berries from her green thumb, as well as fishing, camping and spending her cat. Sherry really loved to smile. "While some people think I'm a snicker, Sherry was full of life and joy." She was always the first to smile and plant and to encourage anyone to try anything new. Her motto was, "If you can't do it, you can't do it."

Sherry was born in Spokane, Wash., and grew up in Lewiston, Idaho. She had a wonderful sense of humor and was a very kind and caring person.

She attended Columbia Falls Schools and later, attended FVCC, majoring in human services. Sherry worked in customer service all over the valley for the majority of her life, while raising her three children, Shellie, Renae, and Jason.

While growing up, Sherry and her kids found laughter in small things like old records and games of Yahtzee, trips to Nebraska to see grandparents, catching fireflies, and drive-in movies. She took great pride in her kids and could always be counted on to help with a last minute project - a costume, a dress for a band concert, or a scouting craft. She was a talented seamstress and sewed many of her children's clothes, as well as agreeably mending her son-in-law's work jeans and making blankets and cloth diapers for her grandchildren.

Sherry found her soul mate in Greg Kline, and they married in July of 1986. Greg and Sherry were an invincible duo and could always be seen hand in hand and obviously in love. From rummage sales to road trips, and as many trips as they could fit to the Red Lobster in between, eighteen years of "hearts," love notes, and constant companionship were gifted Sherry and Greg. He cared for her with empathy and grace the remaining months of her life, never failing to tell her each day, how beautiful and cherished she was.

Sherry claimed all "bragging rights" to her four grandchildren, Justin, Kasmir, Amaia, and Hannah, as you could tell by her walls covered in photographs and her constant search for a whimsical "goodie" to send home in a bag "for the kids." She loved surprising others with gag gifts, especially her famous "Rudolph" gifts, and was always up for a good prank, a good story, or a good talk.

Some of her greatest joys in life were gardening and supplying her family with canned and dehydrated bounty from her green thumb, as well as fishing, camping, and spoiling her cat. Sherry really loved boating - while some people do figure 8's, Sherry excelled at figure 22's! She was always the first in line to help plan and organize a party or event, right down to doing most of the catering herself - whether for 25 or 125. She was famous for her baked beans and fried chicken, her stuffed green peppers, and her artistic vegetable trays.

Sherry will always be remembered for her generosity of spirit, her perseverance, her sense of humor, and her vivacious and tenacious love of life. She taught those around her that you always keep your chin up and a smile on your face, dare to believe in yourself and never give up, and when all else fails - grab a star and hang on!

To all of those who knew and loved her, Sherry will always be remembered as "one tough Norwegian woman," and to those who knew her best of all, it is no surprise that she lived her last moments the way she lived her life - fully, with dignity, and most of all, "her way." She will be greatly missed and remembered always, for the person she strived to be, and in the process, taught us all how to become. While she was here, she made the grass greener, the lights brighter, the tastes sweeter, and the nights warmer.

Sherry was preceded in death by her mother, Gladys (Johnson Carter) Kile; an infant daughter, Tina Rae Sibley; father, Ray E. Carter, Sr.; and grandparents T.S. and Bessie Carter and Nicolai and Winnie Johnson.

She is survived by her husband, Greg, of Columbia Falls; daughters, Shellie Spilis and husband Chucko, and Renae Gugler and husband Rocky, of Kalispell; a son, Jason Polensky, of Wichita, Kan.; grandchildren, Justin, Kasmir, and Amaia Spilis, and Hannah Lou Gugler; brothers Ray Carter, Jr., of Pierre, S.D., Larry Len Carter, of Newton, Kan., and Jack Carter, of Tulsa, Okla., and numerous other relatives.

Cremation will take place under the direction of Columbia Mortuary. Services will be held in Kalispell, at Northridge Lutheran Church, 323 Northridge Drive, on Wednesday, Jan. 12, at 11 a.m., with fellowship following.

In lieu of flowers, the family asks that donations be made in Sherry's name, to the Northridge Lutheran Church general fund or the charity of your choice.

## Pearl Ethel Kolden, 85

Pearl Ethel Kolden, 85, passed away at the Immanuel Lutheran Home on Dec. 4, 2005, from pneumonia. "By leaving us she was able to be in the presence of her husband and her family in heaven with God at her side."

Mom was a resident at the Immanuel Lutheran Home since Nov. 22, 2002. She came to love her new home and her caretakers, and they in turn came to love her as much as her family did. She came to regard her male nurse, Ricker, as her son, and "we love him like our brother." She tried very hard to make life as easy as possible for those wonderful people who loved and cared for her.

Mom was born Jan. 23, 1920, in Minot, N.D. She was married Feb. 27, 1946, to Richard M. Kolden, and they raised their family on the family farm in Roseglen, N.D., until they moved to Kalispell in the winter of 1960. Both Pearl and Richard retired from School District No. 5 as custodians.

"Mom and Dad were always so proud to introduce their six children to anyone they thought might have the slightest interest in knowing who we were. They believed their greatest accomplishment in life was their children. We hope we will continue to make them proud. To relatives and friends of mother's, I hope you will find comfort in knowing that we were by her side and that she passed peacefully into the arms of our heavenly Father. We thank all of you for caring and loving her."

We are planning a graveside memorial service under the direction of Buffalo Hill Funeral Home and Crematory in late spring or early summer. An announcement will be placed in the Inter Lake prior to services.

We suggest memorials be given to the Immanuel Lutheran Home or Hospice in mother's memory.

Carolee Kurtz, 71, longtime Whitefish resident, died peacefully in her sleep Monday morning, Jan. 31, 2005, at her home in Whitefish.

Carolee was born March 28, 1933, in Seattle, where she attended schools, then four years at the University of Washington and was a member of Alpha Phi Sorority.

She met and married her husband of 51 years, Norm Kurtz, in Seattle. They were married Dec. 18, 1953. Together they shared the excitement and adventure of growing with Big Mountain and Whitefish. They raised four children, Lisa Kurth of Kent, Wash., Peter Kurtz of Anaconda, Gretchen Murray of Missoula, and Joni Stout of Boise, Idaho, and she was a grandmother to six children, all boys.

In the early days of their marriage, Carolee lived on Big Mountain, as Chalet manager, then later owned and operated View Mount Motel (now Rocky Mountain Lodging). She volunteered in many organizations. Carolee was part of the very first Whitefish Winter Carnival. For many years, she was president of the Whitefish Women's Club, and held offices in the General Federation of Women's Clubs of Montana. Since the late 1960s, Carolee worked very hard to get a swimming pool for Whitefish. As her plaque at the new "Wave" (her pool!) in Whitefish states: "She never quit." She believed in Whitefish and did what it took to get the job done.

The library guild, recycling, park and recreation boards, Whitefish Lake Boat Club, hospital guild, Whitefish Winter Carnival, (the snowflake street ornaments) all were a big part of her life! Until the last few years, she was an avid sailor, and shared many sailing adventures on Whitefish Lake, (Wednesday sailboat races were a classic), and many sailing trips to the San Juan Islands in Washington, and the British Virgin Islands.

The talents and gifts she passed on to family and friends will be seen in Whitefish for years to come! She will be missed.

Her family is eternally grateful for the loving care that Lori and the Hospice staff provided in her last weeks.

At Carolee's request, a celebration will be held in her honor in a few weeks. Memorials, in lieu of flowers, may be sent in her name to Home Options Hospice of Kalispell.
