**TOO MANY WIVES.**  
Mrs. Blanch Montelius is a very prepossessing little woman about 18 years of age who, for the time being is making her home at Ravalli. Yesterday through her attorneys, Stephens, Motts and Denny, she filed a complaint for divorce from her husband, Richard William Montelius. The complaint alleges that in June, 1887, the plaintiff was married to the defendant at Butte, at this time the plaintiff being only 15 years of age. Soon afterwards Mrs. Montelius discovered that her husband had another wife from whom he was not divorced. There was a separation and since then she has not lived with her polyamous husband and has commenced suit for divorce as stated in this article. She asks that she may be granted the privileges of a single woman and be allowed to use her maiden name. Mrs. Montelius is the mother of a bright little baby girl, the result of her marriage. Nothing regarding this child is mentioned in the petition.
