Trail Walter J

Has Located Here.

Walter J. Traill, of Grand Fork who arrived here last week became infatuated with the valley at once and after taking a trip over the east side decided to locate here. He bought the lease of Ed Harwood to 16 acres of University land which he will at once improve and prepare for crop next season. He has already commenced to build a residence in town and will soon send for his family. Mr. Traill started for the Flat head country with the intention of putting in a flour mill at this point but met Mr. Miller on the train and found that he was too late. He will become a resident of Kalispell, nevertheless. Mr. Traill is one of the pioneer wheat growers of Dakota, where he has made a snug sum of money in that industry. Such citizens are valuable acquisitions and Kalispell and the valley are fortunate.
