Bigfork people extend sympathy to Mrs. Thompson of Ferndale in the loss of her son, Howard who met with a fatal accident on the state highway here in Bigfork where he was working. His car collided with one of the big trucks, throwing him out on the ground and killing him instantly. This is not the first shocking death Mrs. Thompson has had to bear as her husband was killed by a dynamite explosion a few years ago. Relatives from Washington are with her. Friends from Ferndale and Bigfork attended the funeral Thursday afternoon.
