During the service two hymns were sung by the Odd Fellows quartet, accompanied by Mrs. P. Q. Ritter at the piano. The Odd Fellow burial service was given at the chapel and the impressive burial service at the cemetery was in charge of the Masonic order.

### Obituary

Frank F. Modesitt was born at Terra Haute, Indiana, in the year 1880 and his forefathers were pioneers of that state. At the age of two he removed with his parents to Iowa; several years later the family continued the westward trek and settled in Montana, locating on a farm near Columbia Falls, 41 years ago.

Frank Modesitt attended the grade school at Columbia Falls and the high school at Kalispell. After he became of age he filed on a timber claim in the Talley Lake district. February 6, 1907, he was married to Miss Sara Roe of Kalispell and since that time had continued to make his home in the Flathead. He was at one time a member of the Montana National Guard, and served as deputy county assessor for several years until he entered business for himself. His strongest allegiance outside his home was given to fraternal orders and community interests. It was a matter of personal pride with him to discharge faithfully every task assigned to him.

For thirty years he was a member of the Kalispell Fire department. He was a past noble grand of Lake Lodge No. 59, I. O. O. F., and served as its efficient secretary, for 24 years and was a member of the Masonic order for 13 years.

The principles for which he stood—his kindly interest in every-day living, the ever-ready sympathy in joy or sorrow, the helping hand in time of need, the wise counsel in the days of doubt or stress—the ideals he advocated, the characteristics he exemplified are stamped indelibly on the minds of his friends, who are glad to have been privileged to walk with him through the years, feel the contact was good and they are better for it.

His health failing two years ago obliged him to retire from active business. He spent several months

on the Pacific coast in the hope that a change of climate might be beneficial, but no permanent benefit was noted and a year ago he returned to Kalispell.

The end came peacefully Monday, February 4, 1935. He leaves to mourn his passing, his widow, a son, Kenneth, two brothers and two sisters, as well as a host of friends.
